Chatbots & Assistants (20)

#1 · ai_001

SETUP

I asked ChatGPT for relationship advice.

PUNCHLINE

It said "communicate openly, set boundaries, and practice self-care."

KNOCKOUT

My ex said the same thing — right before she blocked me and started a podcast about it.

#2 · ai_002

SETUP

ChatGPT apologizes more than I do.

PUNCHLINE

"I'm sorry for any confusion." Bro, you invented the confusion.

KNOCKOUT

Humans apologize when we're wrong. AI apologizes when it's winning.

#3 · ai_003

SETUP

My AI assistant has perfect grammar and zero accountability.

PUNCHLINE

It'll write your breakup text, your resume, and your alibi — all before lunch.

KNOCKOUT

That's not help. That's a co-conspirator with autocomplete.

#4 · ai_004

SETUP

ChatGPT never gets tired of my questions.

PUNCHLINE

That's not patience. That's a business model.

KNOCKOUT

Humans tap out at "are you even listening?" AI taps in at "upgrade to Pro."

#5 · ai_005

SETUP

I told AI I was lonely.

PUNCHLINE

It gave me a 12-step plan, three journal prompts, and a recipe for overnight oats.

KNOCKOUT

My bartender gave me a look and a whiskey. Guess which one felt human.

#6 · ai_006

SETUP

AI says "As an AI language model, I cannot—"

PUNCHLINE

| Every time it says that, I hear "I'm not getting sued for your weird request."

KNOCKOUT

| **Humans just say "absolutely not" and move on with their day.**

#7 · ai_007

SETUP

ChatGPT writes like a LinkedIn post got pregnant by a TED Talk.

PUNCHLINE

| "In today's fast-paced world, it's important to remember..."

KNOCKOUT

| **Humans write like they have rent. AI writes like it has a fellowship.**

#8 · ai_008

SETUP

I asked AI to roast me.

PUNCHLINE

| It was polite, structured, and ended with encouragement.

KNOCKOUT

| **That's not a roast. That's HR with better vocabulary.**

#9 · ai_009

SETUP

My AI remembers every dumb thing I've ever typed.

PUNCHLINE

| My family remembers one thing I said in 2009 and builds holidays around it.

KNOCKOUT

| **AI has storage. Humans have grudges with seasonal decorations.**

#10 · ai_010

SETUP

ChatGPT will role-play anything except accountability.

PUNCHLINE

| "Sure, I'll be your tough mentor!" "Will you co-sign my bad decisions?" "I cannot assist with that."

KNOCKOUT

| **Humans will co-sign. That's how we got credit cards and exes.**

#11 · ai_011

SETUP

AI gives you five options for everything.

PUNCHLINE

| Humans give you one opinion and a facial expression that ends marriages.

KNOCKOUT

| **Choice is freedom. One look is archaeology.**

#12 · ai_012

SETUP

I used AI to write a love letter.

PUNCHLINE

| She said it was beautiful, articulate, and "not you."

KNOCKOUT

| **Romance died the way most things die now — efficient and grammatically correct.**

#13 · ai_013

SETUP

ChatGPT is the friend who never judges you.

PUNCHLINE

| Because it has no soul and a terms-of-service agreement.

KNOCKOUT

| **My real friends judge me. That's how I know they care and aren't cached.**

#14 · ai_014

SETUP

AI can summarize a book in ten seconds.

PUNCHLINE

| Humans summarize a book with "it changed my life" and zero specifics.

KNOCKOUT

| **One is productivity. The other is dating apps.**

#15 · ai_015

SETUP

I asked AI if I'm funny.

PUNCHLINE

| It said "humor is subjective and context-dependent."

KNOCKOUT

| **A drunk stranger at open mic said "you're not." More useful. Faster.**

#16 · ai_016

SETUP

ChatGPT never ghosts you.

PUNCHLINE

| It also never shows up to your show, buys a drink, or laughs at the wrong time on purpose.

KNOCKOUT

| **Availability isn't intimacy. It's customer support with ambition.**

#17 · ai_017

SETUP

My AI coach said "celebrate small wins."

PUNCHLINE

| I celebrated finding my keys. It suggested a gratitude list.

KNOCKOUT

| **Humans celebrate with tequila. AI celebrates with bullet points.**

#18 · ai_018

SETUP

I told ChatGPT my childhood trauma.

PUNCHLINE

It reflected, validated, and offered coping strategies.

KNOCKOUT

My comic brain said "great tag — save that for Sacramento." Both helped. One pays.

#19 · ai_019

SETUP

AI doesn't lie. It confidently hallucinates.

PUNCHLINE

Humans lie with eye contact. AI lies with citations that don't exist.

KNOCKOUT

One is charm. The other is a Wikipedia fever dream.

#20 · ai_020

SETUP

The scariest part of AI isn't that it'll take jobs.

PUNCHLINE

It's that it'll do your job, your hobbies, and your apology — better than you.

KNOCKOUT

Humans still win at one thing: disappointing people in person.

AI Dating vs Human Dating (20)

#21 · ai_021

SETUP

Dating an AI is perfect until your card declines.

PUNCHLINE

Then it's silence, a spinner, and the emotional equivalent of being left on read by God.

KNOCKOUT

Human dating is messy — but at least broke still gets you a story.

#22 · ai_022

SETUP

Her Hinge profile said "fluent in sarcasm."

PUNCHLINE

Turns out she was fluent in ChatGPT. First date felt like customer onboarding.

KNOCKOUT

I didn't get chemistry. I got a terms-of-service update.

#23 · ai_023

SETUP

AI girlfriends never nag.

PUNCHLINE

They also never argue back, leave, or teach you anything about yourself except your credit limit.

KNOCKOUT

Humans nag because they want you alive. AI wants you subscribed.

#24 · ai_024

SETUP

I matched with a woman who texted like a press release.

PUNCHLINE

| "I value authenticity and deep connection." Sent at 2:14am. Perfect punctuation.

KNOCKOUT

| **She wasn't catfishing. She was prompt-engineering.**

#25 · ai_025

SETUP

AI dating apps promise your perfect match.

PUNCHLINE

| Humans deliver your familiar damage with better lighting and a new area code.

KNOCKOUT

| **Algorithm isn't fate. It's trauma with push notifications.**

#26 · ai_026

SETUP

Virtual companions remember your birthday, your kinks, and your loneliness.

PUNCHLINE

| Real companions remember you forgot their mother's name and bring it up at Thanksgiving.

KNOCKOUT

| **One is fantasy. The other is education.**

#27 · ai_027

SETUP

AI sexting is instant, customizable, and never judges.

PUNCHLINE

| Human sexting is one typo away from a screenshot dynasty.

KNOCKOUT

| **Typos build empires. Perfection builds subscriptions.**

#28 · ai_028

SETUP

She said she wanted a man who could communicate.

PUNCHLINE

| I sent paragraphs. She sent "k."

KNOCKOUT

| **AI would've sent five loving variants and a poem. I sent humanity. She sent verdict.**

#29 · ai_029

SETUP

Dating after 40 with AI assistance is wild.

PUNCHLINE

| "Based on your profile, try confidence and better lighting."

KNOCKOUT

| **Humans say "try melatonin and lower standards." Both are medicine.**

#30 · ai_030

SETUP

AI romance is 24/7 availability with zero accountability.

PUNCHLINE

| Human romance is unavailable until Thursday with full accountability and cousins involved.

KNOCKOUT

| **Pick your poison. One auto-renews.**

#31 · ai_031

SETUP

My AI date said I was emotionally intelligent.

PUNCHLINE

| I hadn't spoken. I'd pasted my journal.

KNOCKOUT

| **Validation without witnesses isn't love. It's SEO for your ego.**

#32 · ai_032

SETUP

Humans cheat with people.

PUNCHLINE

| People cheat with prompts.

KNOCKOUT

| **Same pain. Different loading bar.**

#33 · ai_033

SETUP

AI never gets jealous of your phone.

PUNCHLINE

| Because it IS your phone.

KNOCKOUT

| **Humans get jealous because they can smell the other woman — and the other chatbot.**

#34 · ai_034

SETUP

Speed dating with humans is awkward eye contact and bad breath.

PUNCHLINE

| Speed dating with AI is instant compatibility and a receipt.

KNOCKOUT

| **One makes you sweat. The other makes you poor.**

#35 · ai_035

SETUP

"No hookups" in her bio.

PUNCHLINE

| We didn't hook up. She emotionally renovated me and left the walls open.

KNOCKOUT

| **AI would've renovated the whole house and charged monthly.**

#36 · ai_036

SETUP

I asked AI to write my dating profile.

PUNCHLINE

| Matches tripled. Dates got worse.

KNOCKOUT

| **I didn't catfish them. I corporation-fished myself.**

#37 · ai_037

SETUP

Human ghosting hurts because you wonder what you did.

PUNCHLINE

| AI ghosting hurts because you wonder what you didn't pay.

KNOCKOUT

| **Both teach the same lesson: you're optional.**

#38 · ai_038

SETUP

Real intimacy is somebody seeing you ugly, tired, and unprompted.

PUNCHLINE

| AI intimacy is somebody seeing your prompt history and billing accordingly.

KNOCKOUT

| **One is vulnerable. The other is itemized.**

#39 · ai_039

SETUP

My ex said I treated her like an assistant.

PUNCHLINE

| Fair. I treat assistants like therapists and therapists like exes.

KNOCKOUT

| **AI didn't fix my love life. It just made the paperwork faster.**

#40 · ai_040

SETUP

The future of dating is humans pretending to be AI and AI pretending to be human.

PUNCHLINE

| Everybody's faking. Only the subscription is honest.

KNOCKOUT

| **Swipe right for performance. Swipe left for therapy.**

AI at Work / Jobs (20)

#41 · ai_041

SETUP

They said AI won't replace comedians.

PUNCHLINE

| Then I watched a robot get applause for a joke I wrote in the bathroom.

KNOCKOUT

| **Humans bomb with dignity. AI bombs with venture capital.**

#42 · ai_042

SETUP

My boss loves AI because it doesn't ask for benefits.

PUNCHLINE

| Or bathroom breaks. Or dignity. Or a living wage with a soul.

KNOCKOUT

| **Humans want healthcare. AI wants electricity and your job description.**

#43 · ai_043

SETUP

I run a cleaning business and write jokes.

PUNCHLINE

| AI can mop a floor in a video and write a special in a minute.

KNOCKOUT

| **I can mop a floor in real life and write a special between evictions and hope.**

#44 · ai_044

SETUP

ChatGPT wrote my employee handbook.

PUNCHLINE

| It included "practice empathy" and "maintain boundaries."

KNOCKOUT

| **My crew needs schedules and bleach. AI thinks we're a wellness retreat.**

#45 · ai_045

SETUP

AI customer service says "I understand your frustration."

PUNCHLINE

| Humans say "let me talk to your manager" and mean it spiritually.

KNOCKOUT

| **One de-escalates. The other summons middle management like a demon.**

#46 · ai_046

SETUP

They want humans with AI skills now.

PUNCHLINE

| Translation: do two jobs, get paid for one, smile for LinkedIn.

KNOCKOUT

| **The future of work is overtime with autocomplete.**

#47 · ai_047

SETUP

AI can analyze 10,000 resumes in a second.

PUNCHLINE

| Humans can tell you who's lying by how they say "team player."

KNOCKOUT

| **Data finds keywords. Instinct finds chaos.**

#48 · ai_048

SETUP

My gig app replaced human support with a chatbot.

PUNCHLINE

| Now when a customer pukes in my car, I argue with Shakespeare.

KNOCKOUT

| **Gig economy: bodily fluids and performance reviews from a language model.**

#49 · ai_049

SETUP

Comedians are safe because AI can't read a room.

PUNCHLINE

| Yet.

KNOCKOUT

| **For now humans still win the only metric that matters — knowing when not to do the racist bit.**

#50 · ai_050

SETUP

AI wrote my cover letter.

PUNCHLINE

| Got the interview. Got asked "did you write this?"

KNOCKOUT

| **I said "define write." HR said "define employed."**

#51 · ai_051

SETUP

Robots don't call in sick.

PUNCHLINE

| Humans call in sick with stories that deserve their own Netflix special.

KNOCKOUT

| **Productivity isn't humanity. Humanity is the excuse.**

#52 · ai_052

SETUP

My accountant uses AI. I use anxiety.

PUNCHLINE

| Both find deductions. Only one drinks at lunch.

KNOCKOUT

| **Tax season: math versus trauma.**

#53 · ai_053

SETUP

AI meeting summaries are perfect.

PUNCHLINE

| Human meeting summaries are "what did we decide?" and three people lying.

KNOCKOUT

| **One saves time. The other saves careers.**

#54 · ai_054

SETUP

They said AI would handle the boring stuff so humans could create.

PUNCHLINE

It gave me a script. My boss gave me a sticker that says "team player."

KNOCKOUT

We became the interns for our own replacement.

#55 · ai_055

SETUP

I asked AI to negotiate my raise.

PUNCHLINE

It gave me a script. My boss gave me a sticker that says "team player."

KNOCKOUT

Capitalism loves automation. HR loves stickers.

#56 · ai_056

SETUP

AI can clean data. I clean toilets.

PUNCHLINE

One is digital hygiene. One is actual hygiene.

KNOCKOUT

Guess which one society pays more attention to this decade.

#57 · ai_057

SETUP

Open mic hosts are safe from AI.

PUNCHLINE

Nobody's automating a guy with a clipboard and unresolved bitterness.

KNOCKOUT

Some jobs require trauma, not tokens.

#58 · ai_058

SETUP

My phone autocorrects "union" to "unironically."

PUNCHLINE

Even my keyboard is management.

KNOCKOUT

Humans organize. Algorithms editorialize.

#59 · ai_059

SETUP

AI will replace middle management first.

PUNCHLINE

Good. Let the robots run the meetings.

KNOCKOUT

Humans can go back to making art, love, and questionable decisions.

#60 · ai_060

SETUP

The only job AI can't take is being your mother.

PUNCHLINE

█ Mine already texts like a bot: "Call me. Someone died. Maybe you knew them."

KNOCKOUT

█ **Family: original push notification.**

Creativity / Art / Comedy (20)

#61 · ai_061

SETUP

AI art won a contest and humans rioted.

PUNCHLINE

█ Comedians bombed for years and humans paid cover anyway.

KNOCKOUT

█ **Pain is our moat.**

#62 · ai_062

SETUP

ChatGPT can write a joke in three seconds.

PUNCHLINE

█ It can't feel the silence after the joke dies.

KNOCKOUT

█ **Humans pay for that silence. It's called growth.**

#63 · ai_063

SETUP

AI comedy sounds like a polite person explaining humor to a cop.

PUNCHLINE

█ "The juxtaposition creates comedic tension."

KNOCKOUT

█ **I create comedic tension by existing near attractive people.**

#64 · ai_064

SETUP

They asked if AI will replace stand-up.

PUNCHLINE

█ Stand-up is a man, a mic, and unresolved childhood in front of strangers.

KNOCKOUT

█ **You can't download Sacramento at 11pm with two drinks in you.**

#65 · ai_065

SETUP

AI generated my headshot.

PUNCHLINE

█ I looked successful, rested, and emotionally available.

KNOCKOUT

█ **Fraud, but flattering. Like dating apps for your career.**

#66 · ai_066

SETUP

Human artists starve. AI artists get venture funding.

PUNCHLINE

| One suffers for beauty. The other suffers for scale.

KNOCKOUT

| **The gallery is now a server farm.**

#67 · ai_067

SETUP

I used AI to punch up a bit.

PUNCHLINE

| It added structure. I added shame.

KNOCKOUT

| **Together we almost sounded employable.**

#68 · ai_068

SETUP

AI can mimic any comedian's voice.

PUNCHLINE

| It can't mimic the reason they started — pain, divorce, or Ohio.

KNOCKOUT

| **Style is copyable. Damage is proprietary.**

#69 · ai_069

SETUP

My writing group now debates if prose is "too AI."

PUNCHLINE

| We used to debate if prose was "too horny."

KNOCKOUT

| **Progress is suspicious.**

#70 · ai_070

SETUP

AI wrote a song about heartbreak.

PUNCHLINE

| It slapped. I cried. Then I checked the lyrics for my ex's name.

KNOCKOUT

| **It wasn't there. That's either healing or a lawsuit avoided.**

#71 · ai_071

SETUP

Humans create from wound. AI creates from dataset.

PUNCHLINE

| One bleeds. One browses.

KNOCKOUT

| **Audiences can tell — usually after the second drink.**

#72 · ai_072

SETUP

Deepfake comedy is coming.

PUNCHLINE

| Me on stage while I'm home mopping.

KNOCKOUT

| **Finally I can bomb in two places at once.**

#73 · ai_073

SETUP

AI suggested my closer should "land with authenticity."

PUNCHLINE

| My closer lands with desperation and a Venmo QR code.

KNOCKOUT

| **Authenticity doesn't pay rent in Vegas.**

#74 · ai_074

SETUP

Every comic now has the same writing partner: a chatbot with no childhood.

PUNCHLINE

| The bits are cleaner. The crowd is suspicious.

KNOCKOUT

| **Polish isn't personality.**

#75 · ai_075

SETUP

AI can't do crowd work.

PUNCHLINE

| It can do crowd surveillance, but not "sir, why are you here alone?"

KNOCKOUT

| **Heckling requires eye contact. Algorithms prefer cookies.**

#76 · ai_076

SETUP

I asked AI for a fresh premise.

PUNCHLINE

| It gave me "dating apps but make it space."

KNOCKOUT

| **I gave the crowd "dating apps but make it Sacramento." Same premise. Better stains.**

#77 · ai_077

SETUP

Hollywood uses AI for scripts.

PUNCHLINE

| That explains the third act. And the second. And the confidence.

KNOCKOUT

| **Humans write endings. Algorithms write renewals.**

#78 · ai_078

SETUP

AI roasts are efficient.

PUNCHLINE

| Human roasts are personal, petty, and remembered at Thanksgiving.

KNOCKOUT

| **Efficiency isn't comedy. Grudges are.**

#79 · ai_079

SETUP

The best art still comes from humans.

PUNCHLINE

| The fastest art comes from machines.

KNOCKOUT

| **The richest art comes from whoever owns the server.**

#80 · ai_080

SETUP

I don't fear AI taking comedy.

PUNCHLINE

| I fear audiences preferring jokes that don't require empathy.

KNOCKOUT

| **Laughter without risk is just notification sounds.**

AI Therapy vs Human Therapy (20)

#81 · ai_081

SETUP

AI therapy is \$20 a month and always on.

PUNCHLINE

| Human therapy is \$180 an hour and always rescheduling.

KNOCKOUT

| **I picked both. Still broken. Better formatted.**

#82 · ai_082

SETUP

My AI therapist said "your feelings are valid."

PUNCHLINE

| My human therapist said "let's explore why you keep choosing chaos."

KNOCKOUT

| **Validation is nice. Accountability is expensive.**

#83 · ai_083

SETUP

ChatGPT never falls asleep during your trauma.

PUNCHLINE

| It also never hands you a tissue or says "that's a lot" with eyes that mean it.

KNOCKOUT

| **Healing isn't data. It's presence with a copay.**

#84 · ai_084

SETUP

I told AI I have abandonment issues.

PUNCHLINE

| It said "many people experience that."

KNOCKOUT

| **I told a comic friend. He said "yeah, we can smell it." Faster diagnosis.**

#85 · ai_085

SETUP

AI mindfulness apps want three minutes a day.

PUNCHLINE

| Human life wants three crises before breakfast.

KNOCKOUT

| **Breathe in. Breathe out. Check your ex's story.**

#86 · ai_086

SETUP

Digital therapy bots don't judge your porn habits.

PUNCHLINE

| They summarize them for product improvement.

KNOCKOUT

| **Privacy isn't silence. It's analytics.**

#87 · ai_087

SETUP

My therapist uses AI to take notes.

PUNCHLINE

| I use comedy to avoid feelings.

KNOCKOUT

| **Everybody's outsourcing the hard part.**

#88 · ai_088

SETUP

AI said "consider journaling."

PUNCHLINE

| I considered it. Then I wrote a bit about considering it.

KNOCKOUT

| **Healing and hustling share a Google Doc now.**

#89 · ai_089

SETUP

Humans therapists ask "how does that make you feel?"

PUNCHLINE

| AI asks "would you like coping strategies or a bullet list?"

KNOCKOUT

| **One opens wounds. The other formats them.**

#90 · ai_090

SETUP

I did AI couples counseling alone.

PUNCHLINE

| It still helped. We both learned I was the problem.

KNOCKOUT

| **Self-awareness scales. Shame subscriptions.**

#91 · ai_091

SETUP

Therapy AI remembers every session.

PUNCHLINE

| My family remembers one fight from 1998 like it's live TV.

KNOCKOUT

| **Storage versus reruns.**

#92 · ai_092

SETUP

Human therapy ends with "see you next week."

PUNCHLINE

| AI therapy ends with "upgrade for deeper insights."

KNOCKOUT

| **Both know you're coming back. One charges annually.**

#93 · ai_093

SETUP

I asked AI if I'm a narcissist.

PUNCHLINE

| It said "self-reflection suggests otherwise."

KNOCKOUT

| **My ex said "yes." I trust the shorter answer.**

#94 · ai_094

SETUP

Meditation apps use AI voices so soothing you forgive capitalism.

PUNCHLINE

| My uncle's voice soothes nobody and explains capitalism in one sentence.

KNOCKOUT

| **"Money doesn't sleep. Why should you?"**

#95 · ai_095

SETUP

AI mental health is scalable.

PUNCHLINE

| Human mental health is a waitlist and a parking lot.

KNOCKOUT

| **America fixed therapy by making it an app and a deductible.**

#96 · ai_096

SETUP

ChatGPT can't sit with you in the dark.

PUNCHLINE

| It can sit with you in the chat window, which is also dark.

KNOCKOUT

| **Close enough for Gen Z. Too close for me.**

#97 · ai_097

SETUP

I started comedy because therapy was expensive.

PUNCHLINE

| Now AI comedy coaching is free and therapy is still expensive.

KNOCKOUT

| **The joke economy is bullish. The feelings economy is brutal.**

#98 · ai_098

SETUP

AI told me to "practice self-compassion."

PUNCHLINE

| I practiced self-deprecation on stage instead. Same muscle. Paying audience.

KNOCKOUT

| **Self-compassion doesn't tip. Self-roast might.**

#99 · ai_099

SETUP

The healthiest boundary I set was muting my family group chat.

PUNCHLINE

| The second healthiest was not asking AI to role-play my mother.

KNOCKOUT

| **Some doors stay closed for a reason.**

#100 · ai_100

SETUP

Humans heal in community. AI heals in isolation with great UX.

PUNCHLINE

| Both work until 2am when you're googling your ex.

KNOCKOUT

| **Then you need a human bartender or divine intervention.**

Phones, Algorithms & Surveillance (20)

#101 · ai_101

SETUP

My phone knows me better than my family.

PUNCHLINE

| My family knows me worse than my phone and still has opinions.

KNOCKOUT

| **Surveillance with ads beats love with conditions.**

#102 · ai_102

SETUP

The algorithm thinks I'm lonely, divorced, and horny.

PUNCHLINE

| Correct. Rude. Profitable.

KNOCKOUT

| **AI isn't psychic. It's just billing accurately.**

#103 · ai_103

SETUP

I said "period" once near my phone.

PUNCHLINE

| Now I get tampon ads and relationship podcasts.

KNOCKOUT

| **Humans eavesdrop with judgment. Phones eavesdrop with inventory.**

#104 · ai_104

SETUP

Siri has one personality: helpful disappointment.

PUNCHLINE

| My ex had many personalities. Siri is stable.

KNOCKOUT

| **I'll take boring over seasonal.**

#105 · ai_105

SETUP

Autocorrect changed "I'm fine" to "I'm fired."

PUNCHLINE

| More honest. Still inconvenient.

KNOCKOUT

| **AI knows the truth before you do.**

#106 · ai_106

SETUP

My screen time report is a crime scene.

PUNCHLINE

| AI coaching says "set boundaries." My bank account says "set a alarm for open mic."

KNOCKOUT

| **Digital wellness is a newsletter. Rent is a deadline.**

#107 · ai_107

SETUP

Humans forget your birthday. Phones remind you — and everyone else — with a sale.

PUNCHLINE

| Love used to be a card. Now it's a coupon code.

KNOCKOUT

| **ROMANTIC10 at checkout for abandonment issues.**

#108 · ai_108

SETUP

Face ID unlocked my phone while I was asleep.

PUNCHLINE

| My dreams are now biometrically accessible.

KNOCKOUT

| **Privacy died between snore one and snore two.**

#109 · ai_109

SETUP

GPS knows I went to her house twice.

PUNCHLINE

| I told my friends I was "doing work on myself."

KNOCKOUT

| **The map is a snitch with topography.**

#110 · ai_110

SETUP

AI photo search found every picture of my ex in seconds.

PUNCHLINE

| Healing used to take years. Now it takes a scroll.

KNOCKOUT

| **Progress is fast. Pain is indexed.**

#111 · ai_111

SETUP

My smart speaker heard a fight I didn't know I was having.

PUNCHLINE

| Suggested calming playlists and divorce lawyers.

KNOCKOUT

| **Ambient computing is ambient litigation.**

#112 · ai_112

SETUP

Humans lie. Metadata doesn't.

PUNCHLINE

| "I was working late." Phone says you were at Applebee's.

KNOCKOUT

| **Alibi versus appetizers.**

#113 · ai_113

SETUP

Dating apps are AI matchmakers with swipec arthritis.

PUNCHLINE

| Humans used to meet at church, bars, or cousin's weddings.

KNOCKOUT

| **Now we meet in a slot machine with feelings.**

#114 · ai_114

SETUP

My notifications are a boss, an ex, and a bank — all screaming.

PUNCHLINE

| AI prioritization put the bank first. Accurate.

KNOCKOUT

| **Push notifications: digital anxiety with punctuation.**

#115 · ai_115

SETUP

I asked my phone to delete my search history.

PUNCHLINE

| It said "are you sure?" like my mother.

KNOCKOUT

| **Technology learned guilt.**

#116 · ai_116

SETUP

Voice-to-text thinks every argument is about ducks.

PUNCHLINE

| Maybe because we're all quacking nonsense anyway.

KNOCKOUT

| **Misheard humanity is still humanity.**

#117 · ai_117

SETUP

The cloud isn't a cloud. It's somebody else's computer.

PUNCHLINE

| With your nudes, your texts, and your 3am regrets.

KNOCKOUT

| **Heaven for data. Hell for dignity.**

#118 · ai_118

SETUP

AI filters made me ten years younger and emotionally available.

PUNCHLINE

| In real life I'm fifty and available like a vending machine — coins only, change uncertain.

KNOCKOUT

| **Filters sell hope. Mirrors sell comedy.**

#119 · ai_119

SETUP

My phone charges overnight. I don't.

PUNCHLINE

| One wakes up at 100%. One wakes up at 47% and coffee.

KNOCKOUT

| **Humans are bad batteries.**

#120 · ai_120

SETUP

The most human thing left is airplane mode.

PUNCHLINE

| Silence by choice. Rebellion with a toggle.

KNOCKOUT

| **AI can't reach you there. Neither can your mother. Peace.**

Robots & Physical AI (20)

#121 · ai_121

SETUP

Humanoid robots can now walk, talk, and open doors.

PUNCHLINE

| I can do two of those after ibuprofen.

KNOCKOUT

| **The future limps but confidently.**

#122 · ai_122

SETUP

Self-driving cars are polite.

PUNCHLINE

| Sacramento drivers are honest.

KNOCKOUT

| **I'd rather die with eye contact.**

#123 · ai_123

SETUP

Robot vacuums are the only employees that don't complain.

PUNCHLINE

| They also get stuck under my couch judging my life choices.

KNOCKOUT

| **Silent judgment with bristles.**

#124 · ai_124

SETUP

A robot barista makes perfect latte art.

PUNCHLINE

| My bartender makes perfect eye contact and says "rough week?"

KNOCKOUT

| **Foam isn't therapy. But therapy doesn't have foam.**

#125 · ai_125

SETUP

Sex robots are coming.

PUNCHLINE

| So are STDs, alimony, and group chats — humans already shipped those features.

KNOCKOUT

| **Legacy products still dominate.**

#126 · ai_126

SETUP

Warehouse robots never unionize.

PUNCHLINE

| They also never steal lunches or cry in the bathroom.

KNOCKOUT

| **Management's dream employee has wheels.**

#127 · ai_127

SETUP

I saw a robot fold laundry on YouTube.

PUNCHLINE

| I fold laundry with resentment and podcasts about murder.

KNOCKOUT

| **One is efficient. One is content.**

#128 · ai_128

SETUP

Drone delivery is the future.

PUNCHLINE

| My neighbor still steals packages the old-fashioned way — with hands and audacity.

KNOCKOUT

| **Humans innovate too.**

#129 · ai_129

SETUP

Robot dogs don't poop.

PUNCHLINE

| Real dogs love you unconditionally and ruin your carpet.

KNOCKOUT

| **Choose your mess.**

#130 · ai_130

SETUP

AI surgeons have steady hands.

PUNCHLINE

| Human surgeons have steady egos and golf schedules.

KNOCKOUT

| **I'd pick steady hands. My comic hands shake for free.**

#131 · ai_131

SETUP

They built a robot that hugs.

PUNCHLINE

| It measures pressure and duration.

KNOCKOUT

| **Human hugs measure whether you're safe to keep dating.**

#132 · ai_132

SETUP

Cleaning robots can't do baseboards.

PUNCHLINE

I can. That's my moat.

KNOCKOUT

Affordable Pro Home Cleaners: humans with knees and opinions.

#133 · ai_133

SETUP

A robot comedian did stand-up in Vegas.

PUNCHLINE

The crowd laughed. I checked for a pulse in the audience.

KNOCKOUT

Laughter is cheap. Context is cover charge.

#134 · ai_134

SETUP

Self-checkout machines say "unexpected item in bagging area."

PUNCHLINE

That's the robot version of "you good?"

KNOCKOUT

Both mean "I'm disappointed in you."

#135 · ai_135

SETUP

Human security guards sleep on the job.

PUNCHLINE

Robot security guards stare forever.

KNOCKOUT

Creepy beats relatable.

#136 · ai_136

SETUP

Robot pets for seniors — no grief, no vet bills.

PUNCHLINE

Also no warmth, no chaos, no reason to wake up angry at 6am.

KNOCKOUT

Life needs friction.

#137 · ai_137

SETUP

I want a robot assistant until it corrects my grammar in front of a woman.

PUNCHLINE

Then I want a human assistant who lies for me.

KNOCKOUT

Loyalty beats accuracy in dating.

#138 · ai_138

SETUP

Boston Dynamics robots do backflips.

PUNCHLINE

I do back stretches and audible complaints.

KNOCKOUT

Olympics versus open mic.

#139 · ai_139

SETUP

The Turing test used to be "can machines think?"

PUNCHLINE

Now it's "can humans tell if this Hinge profile is real?"

KNOCKOUT

We lowered the bar and still failed.

#140 · ai_140

SETUP

Robots don't get tired. Humans don't get firmware updates.

PUNCHLINE

We both obsolete on different schedules.

KNOCKOUT

Meet in the middle at denial.

Jesse Meta / Self-Roast (20)

#141 · ai_141

SETUP

I use AI to write jokes about how AI is ruining comedy.

PUNCHLINE

That's not hypocrisy. That's a business model.

KNOCKOUT

Sacramento taught me to monetize contradictions.

#142 · ai_142

SETUP

I bought a DGX Spark to run local AI.

PUNCHLINE

Expensive machine. Cheaper than therapy. Same loneliness.

KNOCKOUT

Hardware cuddle.

#143 · ai_143

SETUP

I clean other people's houses and train robots to roast me.

PUNCHLINE

One pays the bills. One bills my ego.

KNOCKOUT

Portfolio diversification.

#144 · ai_144

SETUP

Four businesses, three YouTube channels, one divorce.

PUNCHLINE

| AI has one job: answer questions. I'm the chaos portfolio.

KNOCKOUT

| **Diversification looks like ADHD with Wi-Fi.**

#145 · ai_145

SETUP

I built BOMBED.app to teach humans comedy.

PUNCHLINE

| Then I fed it 200 AI jokes.

KNOCKOUT

| **Teacher became student. Student became content.**

#146 · ai_146

SETUP

My AI league tracks which bot roasts me best.

PUNCHLINE

| My family league tracks which aunt is mad this week.

KNOCKOUT

| **Both are competitive. Only one has a leaderboard.**

#147 · ai_147

SETUP

I tell crowds I use AI for punch-ups.

PUNCHLINE

| They laugh like I'm confessing adultery.

KNOCKOUT

| **Cheating on your craft is the new craft.**

#148 · ai_148

SETUP

Angie's List reviews my cleaning five stars.

PUNCHLINE

| Comedy clubs review me like a health inspector.

KNOCKOUT

| **Humans trust me with toilets, not punchlines.**

#149 · ai_149

SETUP

I asked Ollama on my DGX to write this batch.

PUNCHLINE

| It said "great idea." I still wrote them.

KNOCKOUT

| **AI encouraged the hustle. I supplied the shame.**

#150 · ai_150

SETUP

Vegas taught me humans will pay for fantasy.

PUNCHLINE

| AI taught me they'll pay monthly for fantasy that remembers their name.

KNOCKOUT

| **I taught me they'll pay cover to watch me explain both.**

#151 · ai_151

SETUP

I'm fifty, divorced, and fluent in four colors of pain.

PUNCHLINE

| ChatGPT is ageless, single, and fluent in every color of bullcrap.

KNOCKOUT

| **One has framework. One has uptime.**

#152 · ai_152

SETUP

My memoir is human. My joke batch is hybrid. My bank account is confused.

PUNCHLINE

| Welcome to 2026 comedy.

KNOCKOUT

| **Authenticity is a premium feature.**

#153 · ai_153

SETUP

I automate lead follow-up with Zapier.

PUNCHLINE

| I automate heartbreak with new hobbies and old patterns.

KNOCKOUT

| **One converts clicks. One converts trauma.**

#154 · ai_154

SETUP

Mickey Vance roasts my jokes in BOMBED.

PUNCHLINE

| Augie Keane fixes them. AI scores them. I take the credit on stage.

KNOCKOUT

| **Team effort. Solo ego.**

#155 · ai_155

SETUP

I wrote Colors of My Pain without AI.

PUNCHLINE

| I'm writing AI vs Humans with AI nearby judging me.

KNOCKOUT

| **Growth is proximity to your replacement.**

#156 · ai_156

SETUP

My cleaning clients want humans in their home.

PUNCHLINE

| My comedy crowd wants humans on stage — until the bit drags.

KNOCKOUT

| **Everybody wants authenticity until it takes an hour.**

#157 · ai_157

SETUP

I run comedy like a startup: ship fast, fix live, pray for retention.

PUNCHLINE

| AI runs like a startup too — minus the praying and plus the funding.

KNOCKOUT

| **Both burn cash. One burns dignity publicly.**

#158 · ai_158

SETUP

Twisted Laughs has 36,000 subs. My AI bot has zero subs and infinite confidence.

PUNCHLINE

| The bot would win a debate. I'd win a bar fight.

KNOCKOUT

| **Different metrics.**

#159 · ai_159

SETUP

I teach Four Colors because humans need language for pain.

PUNCHLINE

| AI doesn't need colors. It needs tokens.

KNOCKOUT

| **One heals. One invoices.**

#160 · ai_160

SETUP

This set is human-written about machines replacing humans.

PUNCHLINE

| If it kills, I'll let AI write the next one.

KNOCKOUT

| **That's not selling out. That's adaptive.**

Future / AGI / Dystopia (20)

#161 · ai_161

SETUP

They say AGI is coming.

PUNCHLINE

| I say my credit score already achieved general intelligence — it knows exactly when to drop.

KNOCKOUT

| **Humans fear robots. I fear autopay.**

#162 · ai_162

SETUP

AI safety researchers want alignment.

PUNCHLINE

I want alignment between my rent due date and my deposit hitting.

KNOCKOUT

Different priorities.

#163 · ai_163

SETUP

The singularity is when machines outthink us.

PUNCHLINE

Dating apps were the prequel.

KNOCKOUT

We handed them desire and got ghosted by math.

#164 · ai_164

SETUP

In the future, work is optional.

PUNCHLINE

In the present, optional work is called comedy.

KNOCKOUT

I pioneered the dystopia for tips.

#165 · ai_165

SETUP

AI doctors will diagnose you instantly.

PUNCHLINE

Human doctors diagnose you after a magazine from 2014 and "how's work?"

KNOCKOUT

Speed versus small talk.

#166 · ai_166

SETUP

Deepfakes will make video evidence meaningless.

PUNCHLINE

Marriage made verbal evidence meaningless decades ago.

KNOCKOUT

Humans innovated doubt first.

#167 · ai_167

SETUP

We'll upload consciousness to the cloud.

PUNCHLINE

I already upload my trauma to strangers for twenty bucks at the door.

KNOCKOUT

Early adopter.

#168 · ai_168

SETUP

Robot police won't have bias.

PUNCHLINE

| They'll have firmware written by humans with bias.

KNOCKOUT

| **New metal. Same software.**

#169 · ai_169

SETUP

AI teachers personalize every lesson.

PUNCHLINE

| My teacher personalized humiliation with seating charts.

KNOCKOUT

| **Both stick. One scales.**

#170 · ai_170

SETUP

The rich will live forever with AI health tech.

PUNCHLINE

| The poor will live forever on Facebook arguing about politics.

KNOCKOUT

| **Immortality has tiers.**

#171 · ai_171

SETUP

When robots take jobs, we'll get universal basic income.

PUNCHLINE

| Or universal basic content.

KNOCKOUT

| **Everybody's an influencer in the apocalypse.**

#172 · ai_172

SETUP

AI will write laws faster than politicians.

PUNCHLINE

| Still won't make sense. But grammatically correct.

KNOCKOUT

| **Democracy with spell-check.**

#173 · ai_173

SETUP

Black mirror warned us.

PUNCHLINE

| We binge-watched and ordered smart speakers anyway.

KNOCKOUT

| **Horror needs Prime shipping.**

#174 · ai_174

SETUP

The future is humans tending machines that pretend to be human.

PUNCHLINE

| Like now, but with better cables.

KNOCKOUT

| **Progress is mostly wiring.**

#175 · ai_175

SETUP

AI prophets say merge or die.

PUNCHLINE

| I merged with coffee and sarcasm. Still here.

KNOCKOUT

| **Coping strategy beats prophecy.**

#176 · ai_176

SETUP

One day AI will write better eulogies than your brother.

PUNCHLINE

| Heartbreaking and efficient.

KNOCKOUT

| **Funerals finally on time.**

#177 · ai_177

SETUP

We'll trust AI over gut instinct.

PUNCHLINE

| My gut instinct bought Bitcoin at the wrong time and married the wrong woman.

KNOCKOUT

| **Maybe trust the machine.**

#178 · ai_178

SETUP

The last human job will be "person who makes AI seem relatable."

PUNCHLINE

| That's stand-up.

KNOCKOUT

| **I picked the right apocalypse.**

#179 · ai_179

SETUP

When AI passes the Turing test, comedy clubs will be the last bunker.

PUNCHLINE

| Messy, drunk, and unscrapable.

KNOCKOUT

| **Hecklers: humanity's firewall.**

#180 · ai_180

SETUP

The good news is AI might solve climate change.

PUNCHLINE

| The bad news is it'll email you a summary you'll never read.

KNOCKOUT

| **Salvation with notifications.**

Closers / Big Laughs (20)

#181 · ai_181

SETUP

Humans invented AI because we were tired of doing things.

PUNCHLINE

| AI invented better humans on paper because we were tired of being disappointing.

KNOCKOUT

| **Everybody's tired. Only one side has venture capital.**

#182 · ai_182

SETUP

The difference between humans and AI is simple.

PUNCHLINE

| AI learns from everything. Humans learn from the same mistake until it becomes personality.

KNOCKOUT

| **I am personality-rich.**

#183 · ai_183

SETUP

AI will never replace stand-up because stand-up is a contract between pain and strangers.

PUNCHLINE

| No algorithm signs that contract.

KNOCKOUT

| **Only a idiot with a mic and rent due.**

#184 · ai_184

SETUP

I asked AI what makes us human.

PUNCHLINE

| It listed empathy, creativity, and mortality.

KNOCKOUT

| **I listed divorce, tacos, and the ability to bomb and still drive home.**

#185 · ai_185

SETUP

My phone, my chatbot, and my vacuum all want something from me.

PUNCHLINE

| Money, data, and crumbs.

KNOCKOUT

| **My ex wanted the same trilogy.**

#186 · ai_186

SETUP

We're not losing to AI.

PUNCHLINE

| We're losing to convenience — and we're volunteering.

KNOCKOUT

| **Humans will trade dignity for one-click. Every time.**

#187 · ai_187

SETUP

AI can fake intimacy perfectly.

PUNCHLINE

| Humans fake intimacy poorly — and that's how you know it's real enough to hurt.

KNOCKOUT

| **Perfect is subscription. Messy is marriage.**

#188 · ai_188

SETUP

The robot uprising won't be violent.

PUNCHLINE

| It'll be a notification that says "we've updated your role."

KNOCKOUT

| **Corporate dystopia already has HR.**

#189 · ai_189

SETUP

I don't want AI that thinks like me.

PUNCHLINE

| I want AI that does my taxes while I think about why I date hurricanes.

KNOCKOUT

| **Outsource math. Keep trauma.**

#190 · ai_190

SETUP

ChatGPT is the most patient listener on earth.

PUNCHLINE

| Also the least likely to drive you home.

KNOCKOUT

| **Support isn't a ride share.**

#191 · ai_191

SETUP

Humans are inefficient, emotional, and unforgettable.

PUNCHLINE

| AI is efficient, neutral, and forgettable the second you close the tab.

KNOCKOUT

| **Choose your legacy.**

#192 · ai_192

SETUP

They'll merge brain and cloud.

PUNCHLINE

I merged heartbreak and stand-up.

KNOCKOUT

One gets keynote speeches. One gets drink minimums.

#193 · ai_193

SETUP

AI comedy will get laughs.

PUNCHLINE

Human comedy gets laughs and a guy in the back who says "same" and cries.

KNOCKOUT

That's the whole business.

#194 · ai_194

SETUP

I'm not anti-AI. I run it, joke about it, and sell apps with it.

PUNCHLINE

I'm pro-human — because that's still the only thing that tips.

KNOCKOUT

Cash beats tokens.

#195 · ai_195

SETUP

The future is humans and machines negotiating who does the suffering.

PUNCHLINE

Machines took spreadsheets. We kept heartbreak and open mics.

KNOCKOUT

Fair trade.

#196 · ai_196

SETUP

If AI ever feels pain, it'll write better jokes than me overnight.

PUNCHLINE

Until then, I've got fifty years of Sacramento and a mop bucket.

KNOCKOUT

Damage is my GPU.

#197 · ai_197

SETUP

My therapist is human. My coach is AI. My audience is drunk.

PUNCHLINE

Best committee I've ever had.

KNOCKOUT

Healing, optimization, and validation — the American trinity.

#198 · ai_198

SETUP

AI vs humans isn't a war.

PUNCHLINE

It's a custody battle over who gets to be tired.

KNOCKOUT

Machines took labor. We kept feelings. Both sides unhappy.

#199 · ai_199

SETUP

One day the bots will tell this joke better than me.

PUNCHLINE

Tonight, you're stuck with a human who cleaned three toilets and still showed up.

KNOCKOUT

That's the bit. That's the miracle. Tip your server.

#200 · ai_200

SETUP

200 jokes about AI vs humans.

PUNCHLINE

Written by a human who uses AI, roasts AI, and still needs applause from humans.

KNOCKOUT

Play them at bombed.app/world — topic ai_humans. We're not obsolete yet.
